

RESOLUTION ADOPTING THE NORTHERN TIER SOLID WASTE MANAGEMENT PLAN

WHEREAS, the Municipality of New Milford, Susquehanna County has recognized the problems related to solid waste collection and disposal in the Municipality; and WHEREAS, the Municipality of New Milford Borough believes it necessary to have a solid waste management and disposal program that will meet Pennsylvania Department of Environmental Resources regulations as set forth in Act 241:

NOW THEREFORE BE IT RESOLVED, by the governing body of the Municipality of New Milford, Susquehanna County, Pennsylvania, that: The Municipality of New Milford does hereby adopt the Northern Tier Solid Waste Management Plan, dated April 5, 1973, as the Officially Adopted Plan for the Municipality of New Milford. It is further recommended that the County Commissioners initiate the formation of a region-wide Solid Waste Disposal Authority to establish, finance and operate approved transfer stations and disposal sites for wastes generated in and collected from participating Municipalities. The membership of said Authority is recommended to be composed of five (5) representatives from each of the counties, such members being recommended by the municipal governing bodies within each county.

PASSED AND APPROVED this 5th day of April, 1973.
